

WE'D LIKE TO THANK ALL THE VOLUNTEERS

Christmas at Springfield was a tremendous success !
Volunteers trimmed up the hall making it really festive for all our events

CHRISTMAS SING ALONG

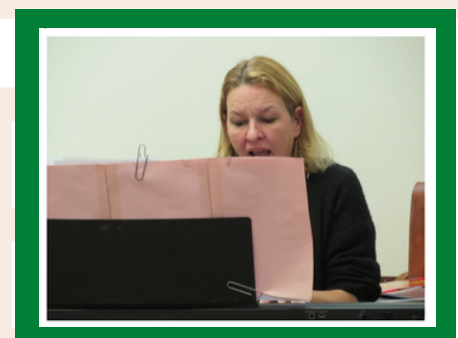

The **Christmas Singalong**, a new initiative, got us off to a flying start.

Penny, our musical Director, provided a song sheet with a lovely mix of **carols and popular songs**. There was audience participation and a **festive musical quiz**.

We served **mince pies** which were washed down with sherry, whiskey and a cup of tea, but not altogether!

Definitely an event to **repeat next year**.

CHRISTMAS EXTRAVAGANZA

Our **Christmas Extravaganza** provided the perfect event.

The hall was trimmed up in all its finery, looking **absolutely beautiful**, again thanks to the help of our **volunteers**.

We entertained **40 people** to a two-course meal plus wine and coffee. Our **Hedleys team** did us proud, with a perfect, delicious **Christmas lunch**.

Entertainment was provided by the fabulous **Jason Isaacs**. He certainly made it **magical!** People enjoyed the company and there was lots of laughter and **dancing**.

Just what we need in these bleak days.

FESTIVE PACKED LUNCH

Finally, our **team of elves** delivered a festive lunch to **50 people** in their own homes.

We couldn't do any of this without support from our sponsors and the whole team of volunteers who made this happen.

We are grateful to **ASDA, RW Mann Trust, Forest Hall Club, The Clousden, Linskill Community Centre and Home Instead** who gave us either financial or other donations. But even more important were the **37 volunteers** who rolled up their sleeves to make every event **super successful**.
