INSIDE THE ISSUE

EVENTS

This issue explores our most recent event that took place at the end of July, Family Fun Day !

GET INVOLVED

Have you heard about the Springfield Activities ?
Now is the time to get involved !

FEATURED

This month we want to feature one of the many groups and activities at Springfield

EVENTS

Springfield Community Association, in partnership with **North Tyneside Council**, hosted, **Family Fun Day**

on **Friday 29th July**

This was the first **#FFD** since **lockdown** in **2020** and the weather was certainly kind enough, starting wet but warm. By the time 11am hit, the rain had gone and the sun came out right on time, encouraging a turnout of **1000+** people.

There was a great atmosphere with **lots of families** having loads of **fun** ! Paul, our **volunteer photographer**, was on hand and got some great **snaps** on the day. If you'd like to see them, head to the **link** at the **bottom of the page**.

A huge range of activities could be found stretching from the **community centre**, the very busy **Springfield Café** and throughout the park. It was great to see so many volunteers and different stalls from **Candy Floss**, to **Disc Golf**, **Face Painting**, a **Tombola** and beautiful **home baking** from the **Holystone Hinnies**, to name but a few.

We have a lot of thank-yous to make but most importantly, **thank you to everyone that came**, we really hope you had a **wonderful day** ! **Thanks to your efforts**, we raised a grand total of **£683.50**

FEATURED 

SPRINGFIELD TODDLER GROUP

GROUP LEADER

Andrea Cummings

Every Tuesday & Wednesday
9:15 - 11:15am

All families with babies and toddlers are welcome at **Springfield Toddler Group**, where we provide a **safe** environment for children to play and mix with.

There are **loads of toys** and crafts available for the children to enjoy, with a **snack** during the morning.

We give adults the chance to **chat** and **meet** other carers of young children, with a well-deserved **tea or coffee**.

For **more details**, visit :
