### Easter Fun Day

Springfield Community Centre hosted Easter Fun Day on **Saturday 2nd April**.

It was a fantastic event and the hall was buzzing with happy, smiling faces. We had all sorts going on including a **raffle**, **crafting** area, **face painting** and even a **bouncy castle** !

After the **egg hunt**, the Easter Bunny hopped in to give all the children an Easter **egg** which had kindly been donated by a local business. **Greggs** also helped out with a picnic lunch.

We'd like to say a **big thank you** to all the **volunteers**, local businesses and everyone who came to support us.

Here's what **Linda Hoffman** had to say about the event

**"The children had a marvellous time going on and off the bouncy castle, making new friends, taking a breather then coming back for more !"**

Jonny Jackson

He's a pure **legend!** **Jonny** has been helping out in Springfield **Café** since it opened **3 years ago**. The café provides a base for **Hedleys** to offer training in food preparation and service.

Springfield and Hedleys work in **partnership** providing a real working environment and allowing our customers to interact directly with students.

Top Cooks, **Alan & Linda**, support Jonny when he volunteers 2 days a week. They say

“

*"Jonny is a very sociable young man who works hard to achieve all tasks. He has grown in confidence and has built strong positive relationships with the customers he serves."*

”

**What Jonny Has To Say**

*"I have volunteered at Springfield for over 3 years now and my favourite thing to do is talk to the customers and find out what they would like to order."*

*I was a bit wary at first but after a while, I found it easier working as part of a team and have learnt a lot volunteering here."*
